

Services for Employers

Sibley is your single source disability solution

As an employer, no matter where your disability issues fall along the healthcare continuum – from prevention to management to resolution – Sibley solves your disability problems through connected thinking and provides a single source disability solution.

Prevent

Customized Educational Injury Prevention Programs - tailored to best fit your existing practices, ensuring current issues do not escalate, similar issues do not occur and you save money by keeping productive employees at work.

- Educational & Injury Prevention Programs
- Ergonomic Assessments
- Post Offer Screening
- Worksite Analysis

Manage

Immediate Intervention - ensures employee absences due to injury and illness do not escalate into complex situations with decreased productivity, time off and lower profits.

Claims Management - Sibley's Rapid Response Team intervenes as soon as an employee is absent, providing the information you need within 24 hours.

Case Management - minimizes your STD claims, as well as the number of cases that progress unnecessarily into LTD claims.

- Absence Management Solutions
- Return to Work Program

Resolve

Employee At Work Solutions – maximize employee productivity by focusing on abilities and what your employees can do to stay at work or return to work as soon as possible.

Registered healthcare professionals & diagnostic testing - so you receive the information you need, exactly when you need it no matter where you are across Canada.

Doctor to Doctor Consults – enables our doctors to correspond directly with your employees' doctors for better results faster.

- Functional Abilities Evaluation
- Independent Medical Evaluations
- Vocational Evaluations
- Doctor to Doctor Consults
