

# Medical Reports/Records Checklist

Consider using the following checklist to keep track of the range of medical reports and records that need to be obtained to set the foundation for smooth file management:

<b>Medical Reports/Records</b>			
<b>Pre-MVA Records</b>		<b>Post MVA Records</b>	
✓	Co-insurer records	✓	Ambulance report
✓	Physician Records (e.g., General Practitioners, Other treating specialists, Psychiatrist, Psychologist, etc.)	✓	Emergency Room report
✓	OHIP records	✓	Hospital records (e.g., records may need to be requested from more than one hospital)
✓	School records	✓	Rehabilitation facility records (e.g., Lyndhurst)
✓	WSIB records		
✓	Veteran Affairs Canada records
